By signing below, I acknowledge that I have received instructions on accessing Internet Banking and/or Email Statements and that it is my responsibility to control the password. I agree to change the bank-issued password to one of my own choosing, and that I will not share the password with individuals who are not authorized signers on the account. If the password authority is shared with other person, it is the responsibility of the signer to reset the password when the authority is revoked.

Signature _____ **Date** _____

Initial information to sign-on to Internet Banking and/or Email Statements will be mailed to the above indicated address. This address must match the primary address on the account(s) indicated above. You will be required to change your password upon your initial entry into Internet Banking. Accounts setup for email statements will not receive paper statements
